

Instructions:

1. Print invitation on cardstock using your printer's "fit to page" option. Make sure the top of both pages are back to back.
2. Fold invitation in half.
3. Cut along dotted yellow line on page two to create your fold-over pirate eye patch.
4. With a craft knife, cut slits in your pirate's ear along the yellow dotted line. Make sure your cut goes through both folds.
5. Fill in your party information on the inside and include your pirate's name under "Happy Birthday" on the back.
6. Thread a sucker stick through the slits in the ear with the sucker pointing down to create a pirate "earring."
